What was the best part of the program for you?

Learning how to "advertise" and knowledge about transplants

Inspiration and hope

How to tell my story, the right way

How to communicate to friends and family.

Testimonial from transplant recipient

ALL, great presentation!

Just hearing it first hand and personal stories

I enjoyed talking to others at my table.

Hearing all ways to talk about transplant

Hope

Learning all the options for finding a donor

Info for living kidney process

Meeting other patients

Understanding the need to reach out

Being patient about the process

Ability to ask questions throughout

Understanding the paired exchange concept

Brainstorming with others

The heartfelt presentation felt like I have new hope

The ideas on how to get a kidney

How can we improve the program?

More people need to see this program

Provide coffee or food
