## What was the best part of the program for you?

Building confidence to tell my story  
It's ok to tell everyone about my situation  
Learning how to share and developing confidence  
Small group activity helps people feel more comfortable telling story  
The small group sections  
Sharing of personal stories  
Listening to testimonials  
Learning how to discuss my need with family & friends  
National facts and approaches for advocates  
Ways to advocate  
Learning how to be an advocate  
Interactions with group settings  
Learning about telling my husband's story  
Writing my story  
Info about paired exchanges was great to learn

## How can we improve the program?

More donors and recipients to share their stories  
Longer program with more donors and recipients  
More sharing of stories  
Schedule more workshops  
More stories from attendees
